

# TESTIMONIALS

“As a Season Ticket Holder in the Jim Kelly Club, I have had the opportunity this season to entertain many business associates and clients. From the private entrance to the upscale food and beverage service, not only has it been a very positive and entertaining experience for my guests, but as well a great investment for my company. I look forward to entertaining my clients in the years to come.”

“We had a wonderful time in the club seating. The convenience of the club house with food service and open tables allowed us to come early to the game and participate in the pre-game activities. We enjoyed watching the games sitting outside but remained dry under the cover. I appreciated the preferred parking and club seating gates which simplified entering the stadium with kids.”
